REIMAGINE YOUR RIDE

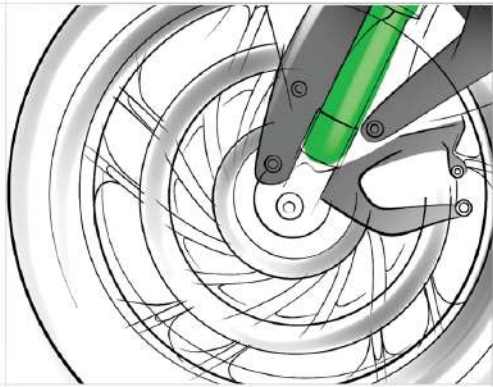

BE THE ALPHA ON THE ROAD

The **Bajaj Dominar 400** features a **muscular** and **aggressive** design inspired by a **lion's stance**, exuding **dominance** on the road. Its sculpted fuel tank, broad shoulders, and imposing LED headlamp enhance its bold presence. The sporty motorcycle geometry, combined with a power cruiser stance, ensures both stability and agility. Powered by a **373cc liquid-cooled engine** delivering **40 PS**, it offers effortless performance for long-distance touring. Equipped with **USD forks**, a **digital console**, and **dual-channel ABS**, the Dominar 400 seamlessly blends **power, comfort, and technology** making it the ultimate machine for highways and beyond.

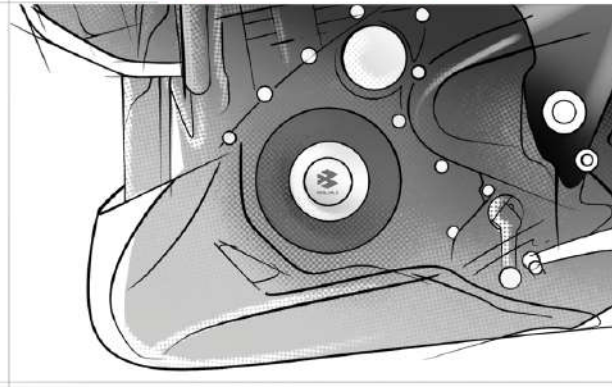

Twin Channel ABS + USD Forks

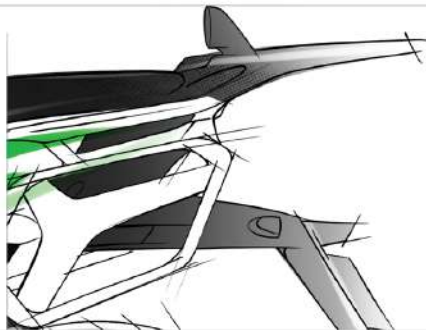

Full LED Headlamps

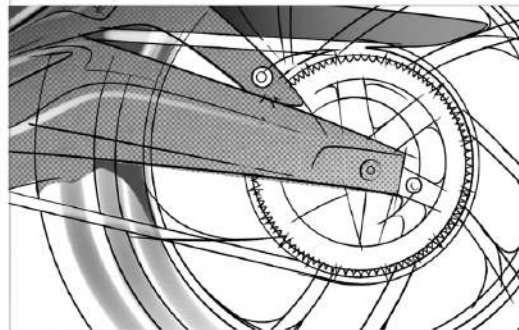

373cc triple spark engine

Adventure kit accessories

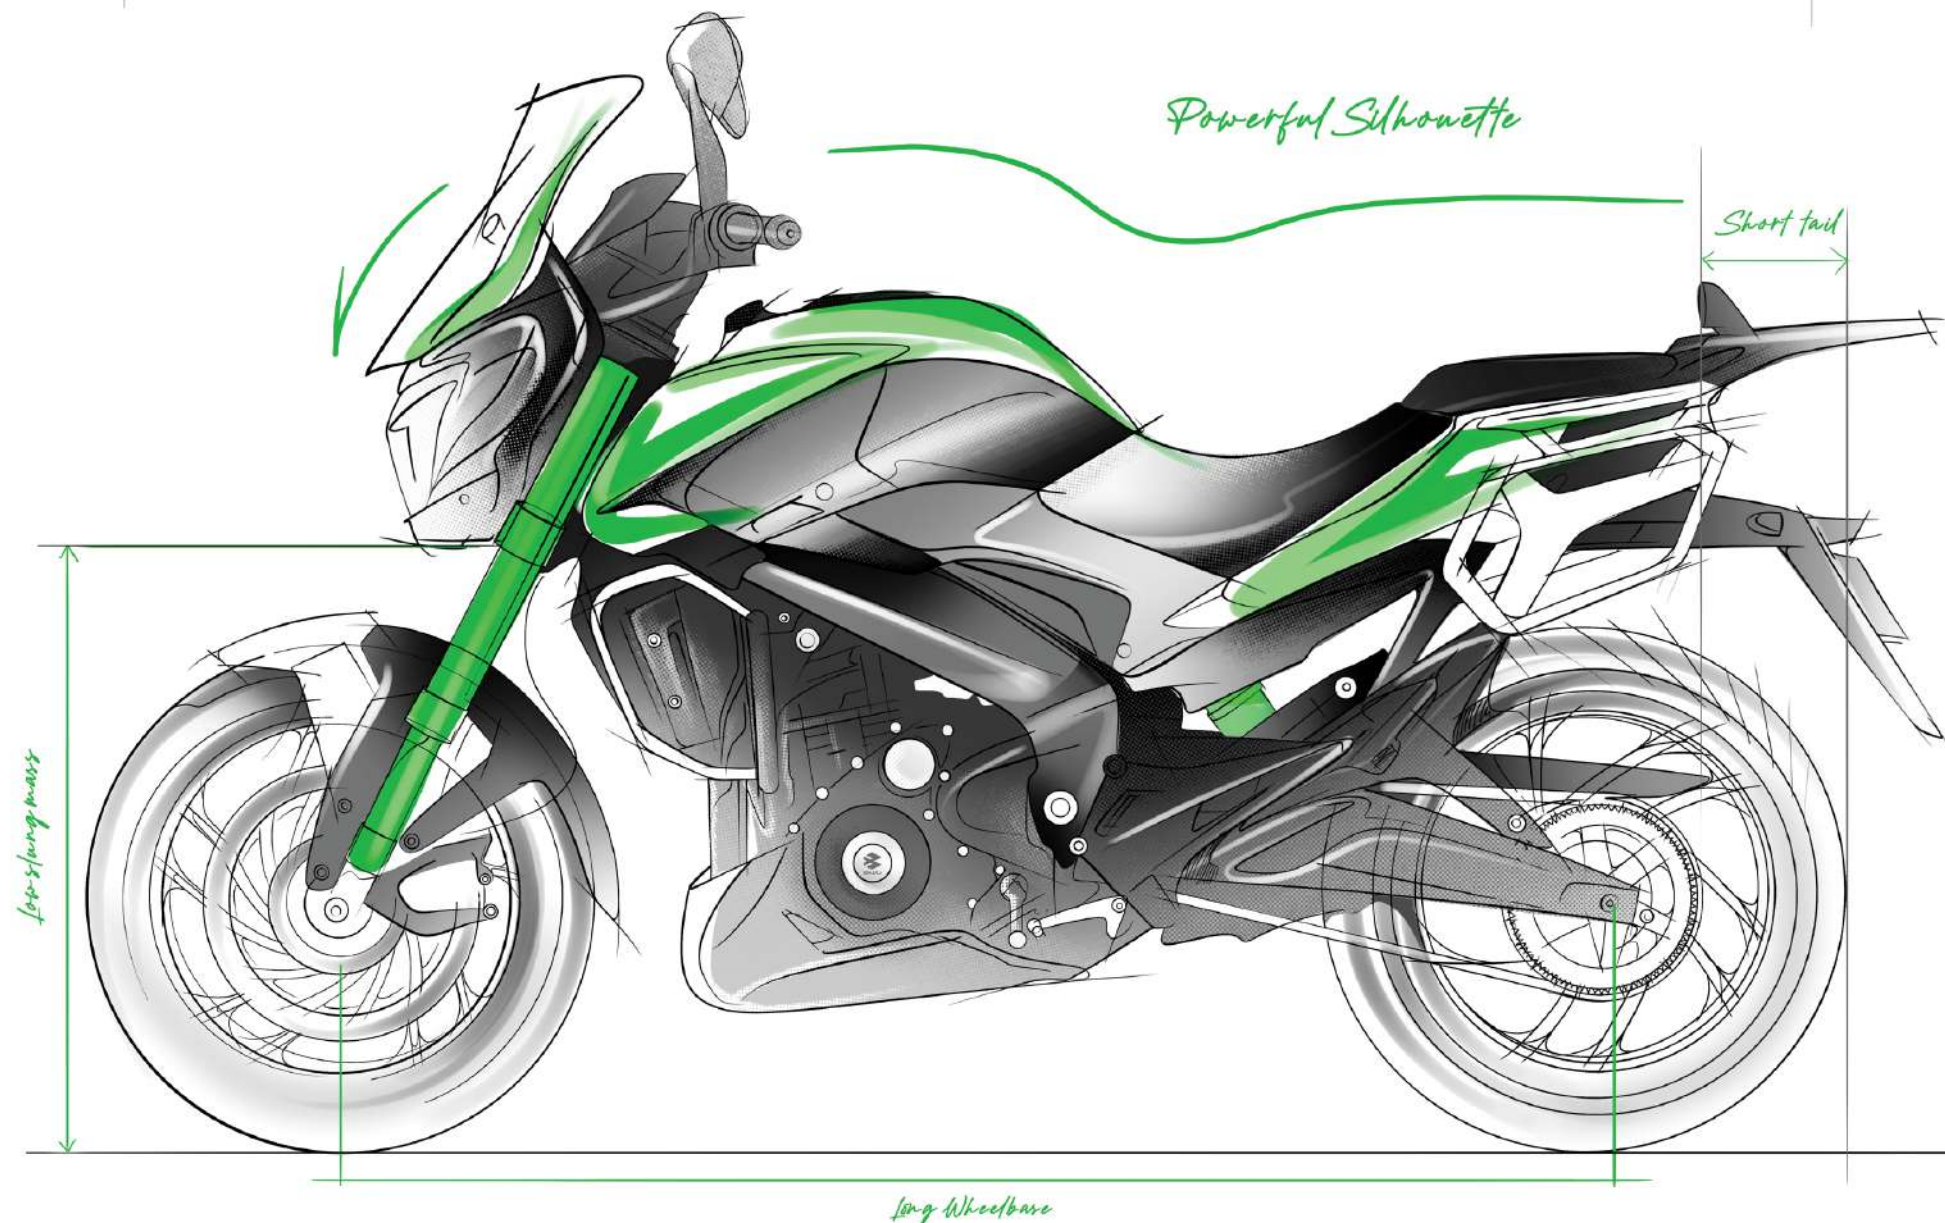

Stampede SWING ARM

Nitrox Monoshock

Powerful Silhouette

Long Wheelbase

Short tail

Low hanging mass

***NEVER RUN OUT OF BREATH,
ON HIGHWAYS OR TWISTIES.***

373CC TRIPLE SPARK DTS-I ENGINE

The triple-spark engine delivers **35 bhp** and **35 Nm**, providing strong low-end torque and smooth power across the rev range.

***HUG THE SHARPEST
CURVES FEARLESSLY***

ASSIST & SLIPPER CLUTCH

The assist clutch enables **easy shifting** at any revs, while the slipper clutch ensures **smooth downshifts** without wheel lock-up.

KEEP CALM & STAY IN CONTROL

TWIN CHANNEL ABS

The dual-channel **Anti-Lock Braking System (ABS)** controls each wheel independently for total braking control.

BORN TO SPRINT

BORN TO SPRINT

RIDE LIKE THE WIND, STRAIGHT AS AN ARROW.

STAMPEDE PERIMETER FRAME

The stamped beam-type perimeter frame boosts **rigidity** and **stability**, ensuring precise handling in turns and straight-line sprints.

ENJOY THE RIDE WITHOUT THE PAIN

ERGONOMIC RIDE TRIANGLE

The well-contoured seat, the ergonomic position of the handlebars, the footpegs and the controls deliver a **relaxed ride**.

DON'T RIDE ON ROUGH ROADS, GLIDE OVER THEM

NITROX MONOSHOCK SUSPENSION

The nitrox monoshock prevents oil foaming for consistent shock absorption and offers **10 adjustments** for any road.

THE TEMPERATURE MAY DIP BUT NOT YOUR PERFORMANCE

FUEL INJECTION SYSTEM

The **electronically controlled fuel injection system** provides perfect ignition and response at any temperature.

RIDE LONG EVEN AFTER THE SUN SETS

AHO LED MOSIAC HEADLAMP

The high-intensity LED headlamp lights up the road up to **1.5 km** for **superior visibility** in the dark.
